

Understanding NACHA Rules (Including 2010 Changes)

WEBINAR – ON DEMAND WEB LINK – FREE CD ROM

Thursday, December 17, 2009

12 - 1:30 pm PT
1 - 2:30 pm MT
2 - 3:30 pm CT
3 - 4:30 pm ET

Are you ready to feel more confident with the NACHA Operating Rules? If so, this webinar will be extremely beneficial for you! It is designed to help you with two main issues:

1. applying the NACHA Operating Rules (ACH Rules) to everyday processing situations, and
2. locating information within the rule book.

You will receive an overview of the ACH Rules and Regulations; the ACH Rules Book layout; and the Articles most critical to ACH operations. The upcoming 2010 rule changes will be highlighted. Don't forget to bring your 2009 Rule Book!

Continuing Education: Attendance verification for CE credits provided upon request.

HIGHLIGHTS

- Who is NACHA?
- Review the ACH Network governing rules
- Understand your bank's responsibilities and how they relate to the Articles in the rules
- Questions? Learn to quickly locate information
- Highlight of 2010 rule changes including authorizations and returns, stop payments, and Reg E

WHO SHOULD ATTEND?

This informative session is best suited for ACH operations and audit/compliance staff.

MEET THE PRESENTER
