Regulation Z and Appraisal Standards have brought changes in appraisal rules and requirements from every angle – from the new appraisal format, to higher-risk loan appraisals, to evaluation requirements. Bankers have experienced a “special focus” by examiners during recent regulatory exams involving appraisal compliance and appraisal review. How will your bank fare with this enhanced focus? Regulators expect comprehensive training for whoever is responsible for appraisal review. This “must attend” webinar will ensure your appraisal procedures are up-to-date and will pass muster with examiners. Plus you’ll be provided with a “Cliff’s Notes” version of the appraisal format changes.

Continuing Education: Attendance verification for CE credits provided upon request.
